

### **Private Funding through Non-Exclusive Multi-Client Model**

- This model replaces the earlier fiscal term of profit Sharing after cost recovery with the payment of one time project fee.
- One time project fee of \$10,000, and extension fee equal to 60% of onetime fee would be paid by the Service Provider.
- Period of Survey under the agreement would be 2 years, with a provision for one extension for maximum one year.
- Non-Exclusive period would be Survey period plus 10 years.
- GOI reserves the right to reject any application on grounds of national security, Govt. policy or fraud committed by the applicant.
- The Applicant Company would furnish a Data Delivery Bank Guarantee of US\$ 100,000. This will be returned un-encashed after the generated data is handed over to DGH.
