

## Awareness program by GAIL on City Gas Distribution & Compressed Natural Gas on 20.1.2022

GAIL(India) Limited organized the 3<sup>rd</sup> Awareness Program (under the aegis of Ministry of Petroleum & Natural Gas) on City Gas Distribution and Compressed Natural Gas on 20<sup>th</sup> January 2022 as part of Azadi ka Amrit Mahotsav celebration.

The program was conducted from GAIL Training Institute (GTI) at Noida. The program was organized through virtual mode by GAIL and was webcasted among all GAIL employees, Senior officials of MoPNG, Oil & Gas PSU employees, various CGD customers of GAIL and also amongst the student fraternity from various universities.

More than 250 attendees were connected during the program.

The Program started with a brief on the relevance and objective of Azadi Ka Amrit Mahotsav which set the tone for the Program. This was followed by the two Awareness sessions.

The first session was conducted on “Improve Gas Distribution Network with innovative pipeline solutions”. It was delivered by Shri Praveer K Agarwal, Chief General Manager (Domestic Gas), GAIL (India) Limited. The session showcased GAIL’s endeavours to the new generation – Virtual Natural Gas Transmission Solutions. These innovative solutions will enhance our capabilities as the leading Gas Supplier in India in regions where infrastructure is still a major challenge.

The next session was conducted on “IT OT driven solutions to strengthen the CGD”. It was delivered by Shri G Chakraborty, Executive Director (CGD & Renew), GAIL (India) Limited. The session clearly identified the requirement and importance of adopting the IT OT solutions in current CGD Business. Also, the adopted solutions and the current challenges faced were discussed. The session highlighted how technology adoption has made our business smarter, efficient, effective and resilient. Further, it emphasised that the high demand for all these digital transformation solutions will continue in this business segment.

Both the sessions were extraordinary and very powerful. They were packed with information and delivered in a very simple and flowing pattern. The sessions ended with a brief Q & A round.

Shri M C Gupta, CGM(Training), and OIC GTI, delivered the Vote of Thanks to all who made this event happen.

The screenshot displays a Zoom meeting interface for the "Awareness Program on CGD & CNG". The main content area shows a presentation slide titled "Gas Supply Through LNG Tanker Route". The slide includes a diagram of a tanker and a GAIL logo, and lists "CASE-5" and "CASE-3 Arrangement" with bullet points. The meeting controls at the bottom show 251 attendees, a "Send live" button, and a list of presenters including M C Gupta, Praveer K Agrawal, Aparajita Chatterjee, G Chakraborty, MCGUPTA (Guest), and GTIEvents.
