

No.P-21016/28/2012-Dist.
Government of India
Ministry of Petroleum & Natural Gas

Shastri Bhawan, New Delhi.
21st August, 2012

ORDER

States/ Union Territories require SKO from time to time on emergency basis or for special occasions. To expedite this process, it has now been decided with the approval of the Competent Authority that each State/ Union Territory will be able to draw an allocation of one month's quota of PDS Kerosene at non-subsidized rates (inclusive of excise/custom duty/taxes and excluding under/recovery/fiscal subsidy) during each Financial Year for special needs such as natural calamities, religious functions, fisheries, various 'yatras', 'melas' etc. This allocation will lapse at the end of that particular Financial Year. This SKO quota can be drawn by States/UTs in installments without referring the matter to Ministry of Petroleum & Natural Gas, Government of India. The State Level Coordinator will be empowered to release this Kerosene on the request from the concerned State/UT.

2. States/UTs may seek further additional allocation of non-subsidized SKO from this Ministry after exhausting this one month's quota.
3. States/UTs to ensure that this allocation is not availed for routine purposes for which separate guidelines on use of non-PDS Kerosene exist vide MOP&NG letter NO.P-21013/1/2003-Dist. dated 06.04.2004.
4. PPAC will issue OMC-wise distribution of the above one month quota of PDS non-subsidized SKO allocation.

MOST IMMEDIATE

New Delhi, the 6th April, 2004

The Chief Secretaries of State Governments/UTs

Subject: Marketing of Indigenously Produced SKO (Non-PDS) by Oil Marketing PSUs

Sir,

I am directed to say that the Ministry of Commerce vide their Notification dated 25-11-2003 have changed the Policy of Import of SKO by parallel marketers. As per the revised Policy, import of SKO will be through Oil Marketing PSUs namely, Indian Oil Corporation Ltd.(IOCL), Hindustan Petroleum Corporation Ltd.(HPCL), Bharat Petroleum Corporation Ltd. (BPCL) and IBP. These oil PSUs have also been allowed to market their indigenously produced SKO in the open market for non-PDS purposes to meet the requirements of small and bulk consumers. Previously, this market was fed by imported SKO by parallel marketers. As a result of a change in the Policy, the demand of SKO which was earlier met by imported SKO by parallel marketers will now be met by indigenously produced SKO by Oil Marketing PSUs namely, IOCL, HPCL, BPCL and IBP.

2. With a view to ensure that non-PDS SKO is made available in the required quantity to genuine customers/consumers and that there is no diversion of SKO to any unauthorised use, the Oil Marketing PSUs have been directed to make supplies of indigenous SKO to genuine customers through their existing network of SKO/LDO dealers till suitable alternate arrangements are made. This direction has been issued to ensure easy and smooth availability of kerosene to the customers. The oil companies will maintain separate accounts for non-PDS SKO and PDS SKO (Blue dyed) so that the PDS SKO reaches the bonafide consumers.
