2. The terms and condition of the tender are as under :-

General Terms and Conditions:-

- (i) The Financial Bids in separate envelope should be strictly as per the format given in the Annexure I. The rates quoted in the Financial Bids should be both in words and figures and quotations with any cutting or overwriting in figures will not be considered, unless corrections are countersigned. The financial bid should be properly sealed / signed and kept in separated sealed envelope. The rates quoted should be indicated in figures as well as in words and there should not be any overwriting.
- (ii) The contract shall be initially for a period of 01 (one) year, which may be extended for further two years, one year at a time, subject to satisfactory performance of the firm and at same rates and terms & condition. The AMC will be terminated at any time during the pendency of contract, if the services are not found to be satisfactory.
- (iii) The AMC charges will be paid quarterly (once in every three months) on production of the preventive service report and satisfactory functioning of instruments.
- (iv) The preventive maintenance service has to be carried out by way of 03 periodical services (once in a month) in a quarter, a service report of which duly signed by user must be submitted with the Bill.
- (v) Rates quoted for each item should be inclusive of all taxes/duties, cost of spares and other material, labour charges etc.
- (vi) The contract will be comprehensive in nature and the Department will not make any payment for any spare parts. **All parts will be replaced free of cost including replacement of telephone instruments, line cord, coil cord, rosette box, card, adaptor, telephone cable of all pair whenever required**

- (for laying purpose if required) etc.** Only genuine authorized parts as per the configuration/manufactured by OEM shall be allowed to be replaced with.
- (vii) Each and every page of the tender should be signed by the tender before submission as a token of acceptance.
 - (viii) Any complaint/breakdown call will be attended promptly and defects rectified within 24 hours or shall provide with standby unit, wherever required, failing which penalty of Rs.500/- per complaint for the delay and/or the Ministry will also have the option to get the machine/defect rectified from other sources at the cost of the contractor to be recovered from the AMC bills/performance security. In case of three successive failures, the contract may be terminated forthwith and the performance security deposit would be forfeited.
 - (ix) The number of machine may increase/decrease during the course of the contract.
 - (x) On the award of contract, the party has to execute an AMC agreement on Rs.100/- non judicial stamp paper and deposit 10% of the amount of annual contract award as Performance Security Money in the form of FDR in favour of DDO, Ministry of Petroleum & Natural Gas valid for a period of 60 more days than the period of contract and in case of extension of contract, for 60 more days than the extended period, which will be returned after 60 days of expiry of the contract period.
 - (xi) All repair works will have to be carried out at the location of the equipment except in the exceptional circumstances where the equipment or any component may be required to be taken out for repairs in workshop. In the case of major repair where the EPABX system or any part of the system has to be taken to Company's workshop, the standby arrangement shall be made by the company. The equipment being taken to the workshop for repair would be at the company's expenses.
 - (xii) The firm will also give the details of technically qualified personnel who will be available during office hours on all working days and also on Saturdays and Sundays in case of exigencies.
 - (xiii) The interpretation of the contractual terms and conditions and disputes, if any, shall be subject to the sole arbitration of the competent authority in the Ministry.

Conditions for Technical Bid
